

EVERLANDS

A GLANCE BACK AT A MEMORABLE YEAR

EVERLANDS EVENTS

Everlands is more than just a Club, it's a community. And to foster camaraderie between its Members, Everlands organizes events all year long throughout the world, linking members to new faces, perpetually widening the global scope of perspective and friendship.

In 2007 Members enjoyed such get-togethers as The British Red Cross London Ball and the Countryside Alliance Supper, and even at the very top of the New Year, 2008 looks to be equally as promising. From an upcoming gathering at a private Palm Beach home, to a cocktail reception at Montana's Yellowstone Museum, to an honoring of an Everlands Artist Fellow, we're continuously trying to forecast how to tie our commitment to beauty, recreation, and preservation with those like-minded.
